Search Notes

Dear Examiner Nguye,

Attached are the search results (from commercial databases) for your case.

Color tags mark the patents/articles which appear to be most relevant to the case. Due to the three hour 'Fast & Focused' time limitation, foreign patent files were not searched. Pls submit a 'rush' request directly to me if you would like a foreign patent search – which would require approximately 2 hours to complete.

Again, I apologize for the delayed turnaround for this case due to my computer problems.

Please call if you have any questions or suggestions for additional terminology, or a different approach to searching the case.

Thanks,
Carol
